

Franklin High Admiral Battalion Newsletter

We're excited to open our doors to new cadets who are interested and want to join the program this 2026-2027 school year! There are multiple JROTC teams that cadets can join where they can learn leadership, respect, and bond with other students. The Franklin High school JROTC runs an Archery, Rifle, and Raider team.

Over the summer the Franklin High JROTC welcomed a new leader. ISG Domingo is a fresh face for the JROTC and we wish to welcome him into our community.

For more community service opportunities, and ways to learn leadership, cadets can participate in Security Detail at home football games. Cadets stay after school, help direct traffic, present the colors, and have fun. Other upcoming event days include our 9/11 service, Memorial Day, Veterans Day and others.
